

# Awa Outdoor

SMALL TABLES

2009

Naoto Fukasawa

## Description

---

Elegantly asymmetrical, Awa Outdoor is a versatile object, a service table to be placed wherever a support surface is needed. Its plastic shape exploits the properties of Cristalplant®, a refined and sensual material, equipped with a soft touch surface, but at the same time resistant and extremely practical, to be used both indoors and outdoors.

## Technical information

---

**Top and base-frame**

Cristalplant Outdoor®

(natural mineral filler of phosphate of aluminium with polyester acrylate resin)
