

## Awa Outdoor

**SMALL TABLES** 

2009

Naoto Fukasawa

### Description

Elegantly asymmetrical, Awa Outdoor is a versatile object, a service table to be placed wherever a support surface is needed. Its plastic shape exploits the properties of Cristalplant®, a refined and sensual material, equipped with a soft touch surface, but at the same time resistant and extremely practical, to be used both indoors and outdoors.

#### Technical information

#### Top and base-frame

Cristalplant Outdoor®

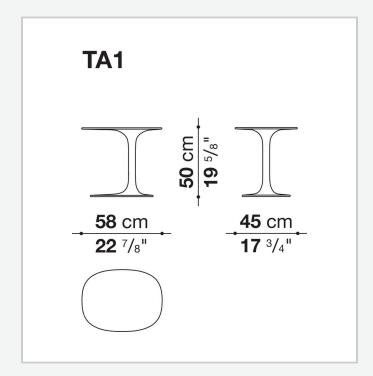

(natural mineral filler of phosphate of aluminium with polyester acrylate resin)

**Ferrules** 

thermoplastic material
