

Michel

SOFAS

2012

Antonio Citterio

Description

Ideal für alle, die Komfort und zeitlose Modernität lieben. Das Sitzmöbelsystem Michel spiegelt die Entwurfsphilosophie seines Gestalters wider, der einfache, klare und elegante Formen ohne dekorative Elemente bevorzugt, die sich durch Funktionalität auszeichnen. Die zahlreichen Kombinationselemente sind in vielen unterschiedlichen Maßen erhältlich, sowohl für formale, als auch gesellige Zwecke. Charakteristische Merkmale sind das Gestell aus Aluminium und das Sitzkissen.

Technical information

Rückenlehne und Armlehne Innenrahmen

Stahlrohre und -profile

Rückenlehne und Armlehne Innenrahmen Füllung

kalt elastischer Polyurethanschaum Bayfit®, Polyesterfaser, Futter aus Polyesterfaser
