

# Bay

ARMCHAIRS

2018

Nipa Doshi & Jonathan Levien

## Description

Bay is a sculptural, monolithic collection of braided outdoor furnishings. Enveloping braided volumes are combined with padded rock-like seats and soft cushions that reflect the elegance, comfort and refinement of B&B Italia's indoor products. Sensually shaped, their double braiding creates air pockets that grant transparency and lightness to the collection.

## Technical information

**Internal frame**

tubular steel and steel profiles

**Back frame**

aluminium

**Upholstery**

Bayfit® flexible cold shaped polyurethane foam, water repellent polyester fibre cover (with heat-sealed ribbon)

**Back cushion**

Solotex fibre and visco-elastic polyurethane combination, cover in water repellent polyester fibre
