

# Richard

ARMCHAIRS

2016

Antonio Citterio

## Description

---

Available in two widths and two depths, for more or less formal use, the Richard armchair reveals a delicate balance between contemporary shapes and a classic allure. Forming part of a comprehensive set of seating solutions, it is available upholstered in fabric with tone-on-tone or contrasting profiles or in leather with matching profiles. The frame is underscored at the base by a metal profile.
