ARMCHAIRS

2019

Antonio Citterio

Description

The Erica '19 outdoor armchair features a technological blend of extruded and die-cast aluminium. Its lightness and design, ensuring ergonomic comfort and durability for outdoor use, make it the ideal choice for both public and residential settings. The refined shades of the frame and interlacing are complemented by a vast range of cushion covers, in an array of tones and designs, all co-ordinating with each other.
