Description

Édouard is a series of sofas with a strong aesthetic and functional appeal designed to enhance comfort with a wide seat and a high backrest, which can also be fitted with a headrest, studied to ensure efficient and excellent ergonomic support. Édouard offers in-line and modular sofas with terminal elements, corner pieces and chaise longues and matching seating elements designed to create restful areas that suit both the space available and the personal taste. The system includes an armchair in two versions. The upholstery is in fabric or leather with elegant relief stitching.
