ARMCHAIRS

2007

Patricia Urquiola

## Description

---

Organic, soft and sinuous in shape, the Fat-Sofa armchairs, available in three versions, including one with a high enveloping backrest, interpret the theme of comfort in a playful and informal way. These floor-standing seats, without a metal base and with fabric or leather upholstery, offer the possibility of choosing between sophisticated single-tone and two-tone solutions, also combining leather and fabric.
