
Ray Outdoor Natural

SOFAS

2017

Antonio Citterio

Description

Ray Outdoor Natural is a family of outdoor sofas and chairs inspired by the Ray indoor collection and featuring an interlacing rope pattern reminiscent of Manila hemp. A solution in perfect harmony with nature, created with textilene to make it perfect for outdoor use, it is available both with feet in aluminium extrusion and in a version with a teakwood base-frame. The collection includes sofas in two depths, modular elements and an armchair.

Technical information
