

# Erica '19

SOFAS

2019

Antonio Citterio

## Description

---

The Erica '19 sofas take up the formal lightness, curved lines and characteristic interlacing of the Erica series, but offering a deeper seat and a lived-in appearance. They come in different sizes with a more or less deep seat. The cushion's upholstery grants an appearance of natural softness, making them even more inviting. The refined shades of the frame and interlacing are complemented by a vast range of cushion covers, in an array of tones and designs, all co-ordinating with each other.

## Technical information

---

**Frame**

die-cast aluminium and extrusions with polyester powder painting
