

Progetto 1

TAVOLI

2006

Monica Armani

Descrizione

Progetto 1 è una collezione di tavoli dal design puro e rigoroso destinati ad arredare raffinate postazioni di lavoro, uffici direzionali e sale riunioni. Disponibili in diverse dimensioni, si distinguono per la cura dei dettagli e l'ampia gamma di possibili configurazioni. Hanno strutture in acciaio cromato da abbinare a piani in legno o in vetro e possono essere attrezzati con ripiani e portacavi. A completare la gamma, una cassetiera dotata di ruote.

Informazioni tecniche

Piano

pannello in particelle di legno impiallacciato o vetro

Struttura

trafilati d'acciaio
